Wessex Minibuses

Approved Provider to CPC & NWUPC
via Framework VEH3085 Lot 3

Minibuses for Education

Whether your school, college or institution is adding a minibus to its fleet or upgrading an existing vehicle, we're here to help.

We supply hundreds of vehicles each year - including minibuses - to HE institutions across the UK under VEH3085 Lot 3. So, if you have any questions, don't hesitate to ask. We've worked with some of the consortiums since 2010, so chances are we've been asked before.

Approved supplier for:

- NWUPC (North Western Universities)
- CPC (Crescent)
- SUPC (Southern Universities)
- NEUPC (North East Universities)
- APUC (Advanced Procurement)
- HEPCW (Wales)
- LUPC (London Universities)
- Crown Commercial Service

Minibus Requirements

You'll need to comply with some specific requirements. Lightweight 17 seater minibuses can be driven on a standard licence with a Section 19 permit. So, opt for the Minibus Lite and you'll have much more flexibility about which team members can drive.

But choose a standard minibus and drivers who passed their test after 1 January 1997 will need to apply for a minibus licence to get behind the wheel.

We can help by:

- offering a range of finance options on any type of minibus;
 - ensuring drivers have valid licences;
 - arranging regular vehicle inspections;
 - carrying out routine servicing & maintenance work;
 - putting procedures in place for drivers to log vehicle condition;
 - tracking vehicles and monitoring use; and
 - providing access to our telematics package and bespoke reporting.
- 

Minibus Supply

The Minibus Lite has 17 seats, space for one wheelchair passenger, a wheelchair ramp, handrails and an automatic sidestep.

It has a six-speed manual gearbox and a 2.2 litre TDCi Eco Blue (140ps) Euro 6 compliant engine that achieves an average 34.3mpg on a combined cycle. Its weight is 4,250kgs.

Our expertise means we have all your fleet needs covered. We can provide everything from small cars and grounds vehicles, to vans and minibuses – so you only have to work with one fleet supplier. As with all the vehicles we provide, we can offer a full management service for your minibus fleet.

- **We currently work with a number of schools and universities, supplying cars, vans and minibuses.**
- **We can handle every detail of your fleet management (including driver checks and risk management).**
- **Or we can simply supply vehicles (lease, rental or outright purchase) when the time is right for you.**

To find out more, please contact Sam or Ben on **01722 548 193** or via corporatesales@wessexfleet.co.uk.

We look forward to hearing from you
